# Important Notice: Updated Irrigation & Watering Schedule

Dear Residents,

Due to city-mandated water conservation measures issued by the City of Winter Haven, our community must comply with updated watering restrictions that apply to both reclaimed water and residential irrigation systems until July 1, 2026.

Effective immediately, the following changes will be enforced:

## No Weekend Watering

- Irrigation is no longer permitted on Saturdays or Sundays under any circumstances.

## Weekday Irrigation Schedule

Homeowners may water one day per week only and may only be operated during designated hours (before 8am or after 6pm), based on their house number:

- **Odd-numbered addresses: Wednesdays**
- **Even-numbered addresses: Thursdays**

Please ensure your irrigation systems are programmed correctly to avoid violations.

We appreciate your cooperation and understanding as we work together to conserve water and remain in compliance with local requirements.

If you have questions or need clarification, please contact the HOA or for the latest schedules, permitted hours, and water conservation resources, please visit the **City of Winter Haven Water Conservation page**: **https://www.mywinterhaven.com/367/Water-Conservation** or contact the Water Department at **(863) 291-5678**.

Thank you for your cooperation,
**Gates of Lake Region HOA**
